Time & Attendance Mobile App. :

e-Attendance
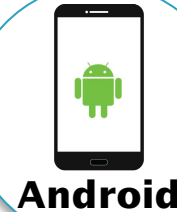

▶▶ Introducing : e-Attendance

Introducing

e Attendance - The DLI's mobile application for Time & Attendance is the revolutionary product that joins the boisterous fleet of DLI's Product. Through its invention, DLI has added another feather in its cap and has ventured into the mobile technology.

What is e Attendance

e-Attendance gives you a real time interface which allows to capture employees' attendance from anywhere anytime. Furthermore, it enhance the reporting by providing geo-location aspect to the attendance transaction from where it's been marked.
